How does the Stokvel Finance Option work?

What's Covered

The entire package costs R1200 per person. This includes venue hire, menu and all other items as per pages 2-4.

Breakdown:

Once you have viewed our stunning venue and wish to proceed, Relax Inn requires a **20% deposit** of the total package upfront as this will secure your date.

The balance is to be paid over a period of up to **11 months** with the final payment to be made no later than **30 days** of the wedding.

Eg:

100 Guests X R1200p.p = **R120 000.**

20% of R120 000 = **R24 000.**

Balance: **R96 000.** to be payable over 11 months.

R96 000/11= **R8 727.27.** this is what you will pay per month.

the above is just a guide to help you better understand how we breakdown the costs and help you pay for your dream wedding!
